

YOUR CHILD AND THE INTERNET: KEEPING ACCESS SAFE AND HEALTHY

A **FREE** discussion for parents of school-age children
With **Caroll Paull, MA, MSSA, LISW**

MONDAY, SEP. 11, 6:30-8 PM

at Hanna Perkins Center for Child Development
19910 Malvern Road, Shaker Hts., OH 44122

The Internet is now part of growing up; its influence is unavoidable — even for young children. But how do you make sure your child's use of the Internet is safe and healthy? This parent chat will offer open discussion about the challenges and concerns for parents, and offer useful insights to engage children as partners in safe, responsible use of the Internet.

Subjects for discussion will include:

- **Age-appropriate guidelines**
- **Safety**
- **Privacy**
- **Setting and enforcing rules at home**
- **Discussing the dangers**
- **Warnings signs of trouble**

The conversation will be open and free-flowing, with opportunity for parents to ask and discuss issues and ideas. Appropriate for parents of children ages 4-12.
